MEMORANDUM

TO: School Districts Operating Educational Programs On The Grounds
of Child Caring Institutions and Juvenile Detention Facilities

FROM: Jacquelyn J. Thompson, Ph.D., Director
Office of Special Education and Early Intervention Services

DATE: July 21, 2003

SUBJECT: Actual Cost Report for Claiming Reimbursement under Section 24
of the State School Aid Act (Form SE-4824)

Attached is a copy of the 2002-03 Section 24 Actual Cost Report for Public School Districts Approved to Operate Programs on the Grounds of Child Caring Institutions and Juvenile Detention Facilities. This report is required by school districts that wish to have the added costs of these programs reimbursed under Section 24 of the State School Aid Act.

Districts are reminded that Section 24 only reimburses costs for pupils placed by the court system or Family Independence Agency (FIA).

During the completion of the 2001-02 funding cycle, it was discovered that the pupil FTE reported by many districts did not match the DS-4120 audited pupil membership reports. Districts are reminded that pupils claimed as special education and regular education on the SE-4824 must match those on the DS-4120 for the September 2002 and February 2002 count dates. Please work with your ISD Pupil Accounting Auditor to ensure accuracy.

If you have any questions regarding the form, please contact Dianne Easterling at (517) 241-4517.
